OZIERI - We offer for sale in Via Turati a building plot of 343 square meters, flat and well-exposed, with excellent access and easily reachable on foot from the city center.

The regular-shaped lot is located in a predominantly central residential area since the city center, where most of the main services (town hall, banks, post office, schools, markets, professional offices, etc.) are located, is about 300 meters away.

The examined land lot falls under the PRG (General Urban Plan) in the residential completion zone denominated as B.
